

The Sillys go to the park

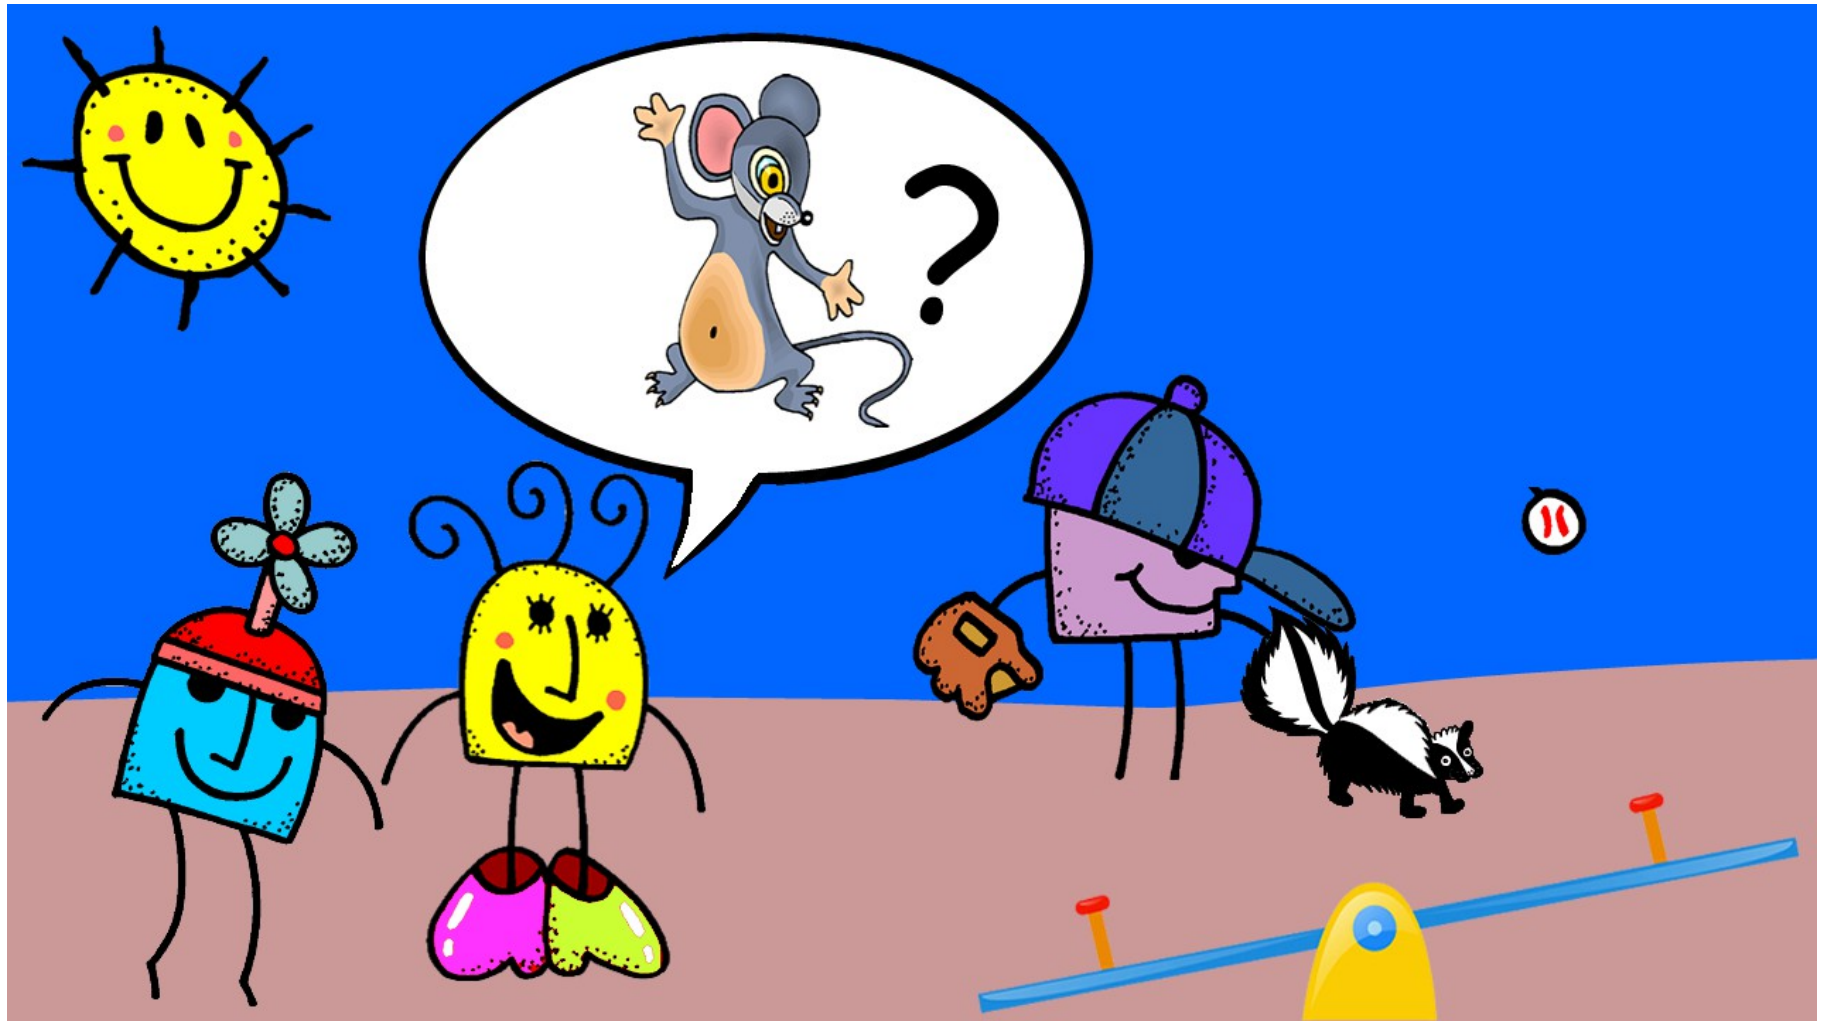

Here are the Sillys, SillyBilly and SillySally. They are going for a walk in SillyPark today.

Near the seesaw, they see a boy throwing a ball for his pet.

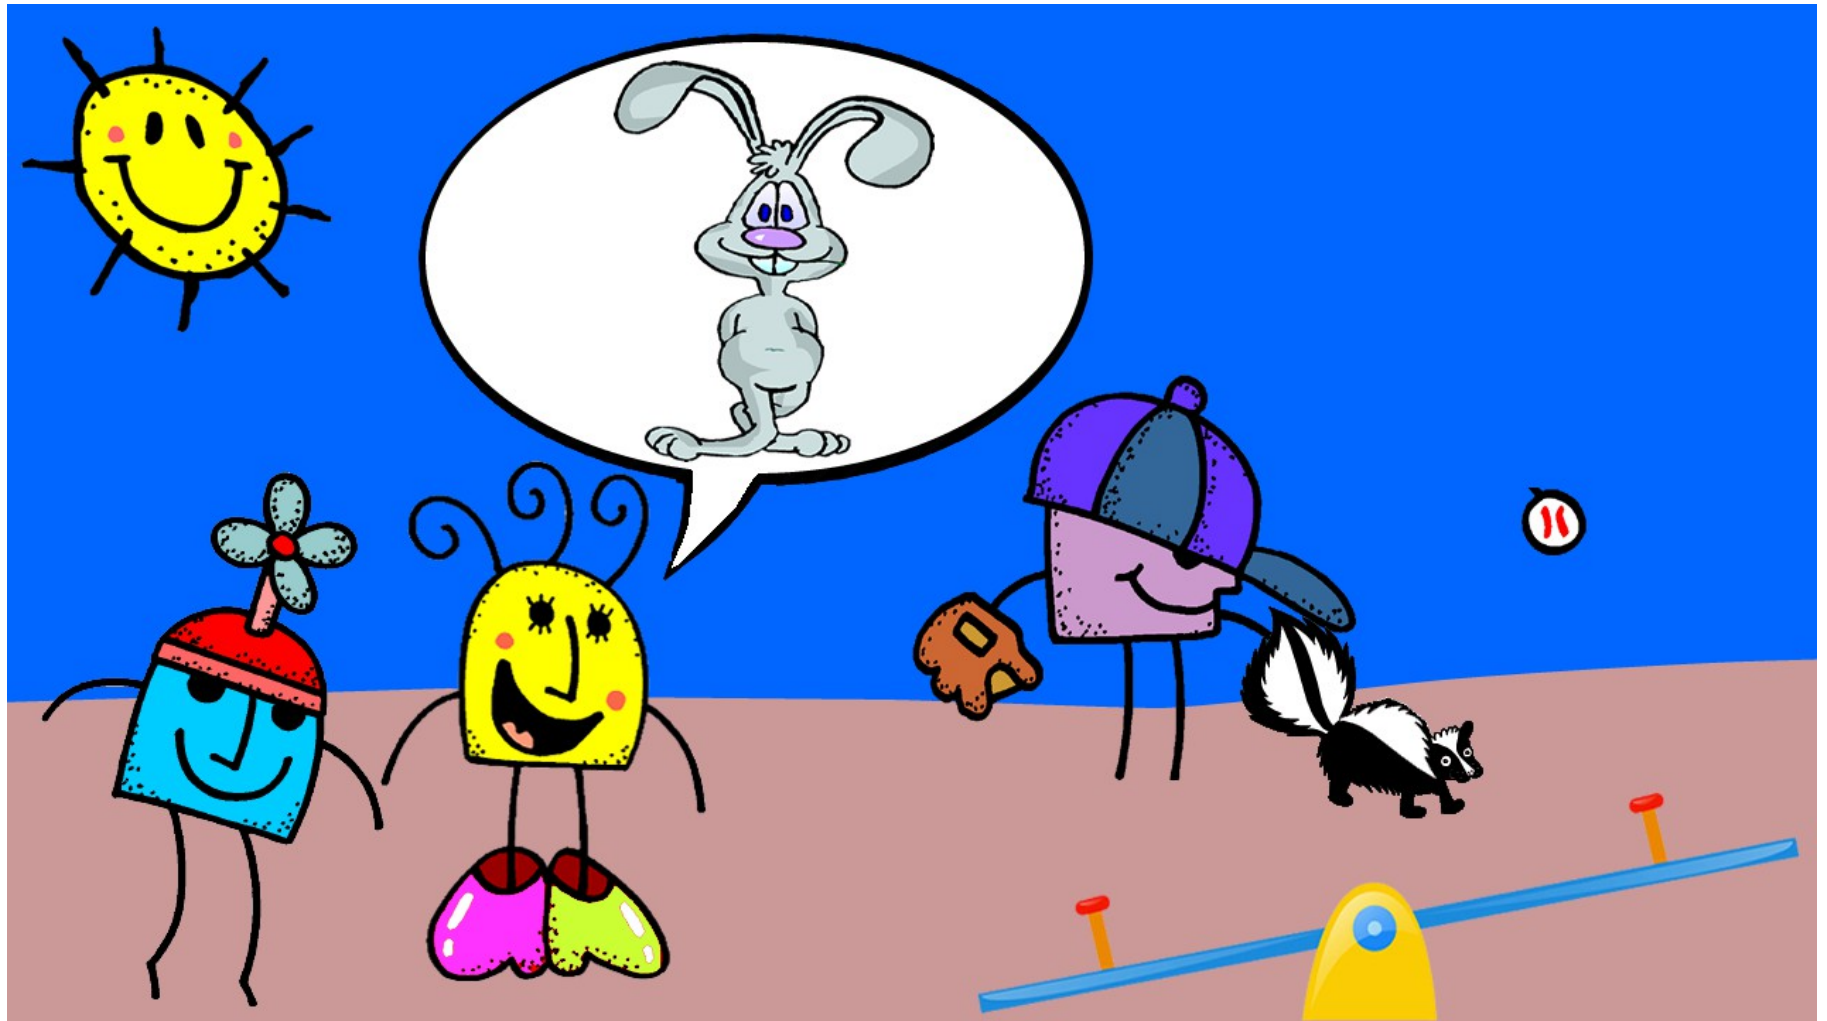

"Look," said SillyBilly. "That boy has a pet mouse."

"A pet mouse?" said SillySally.

"That's not a pet mouse."

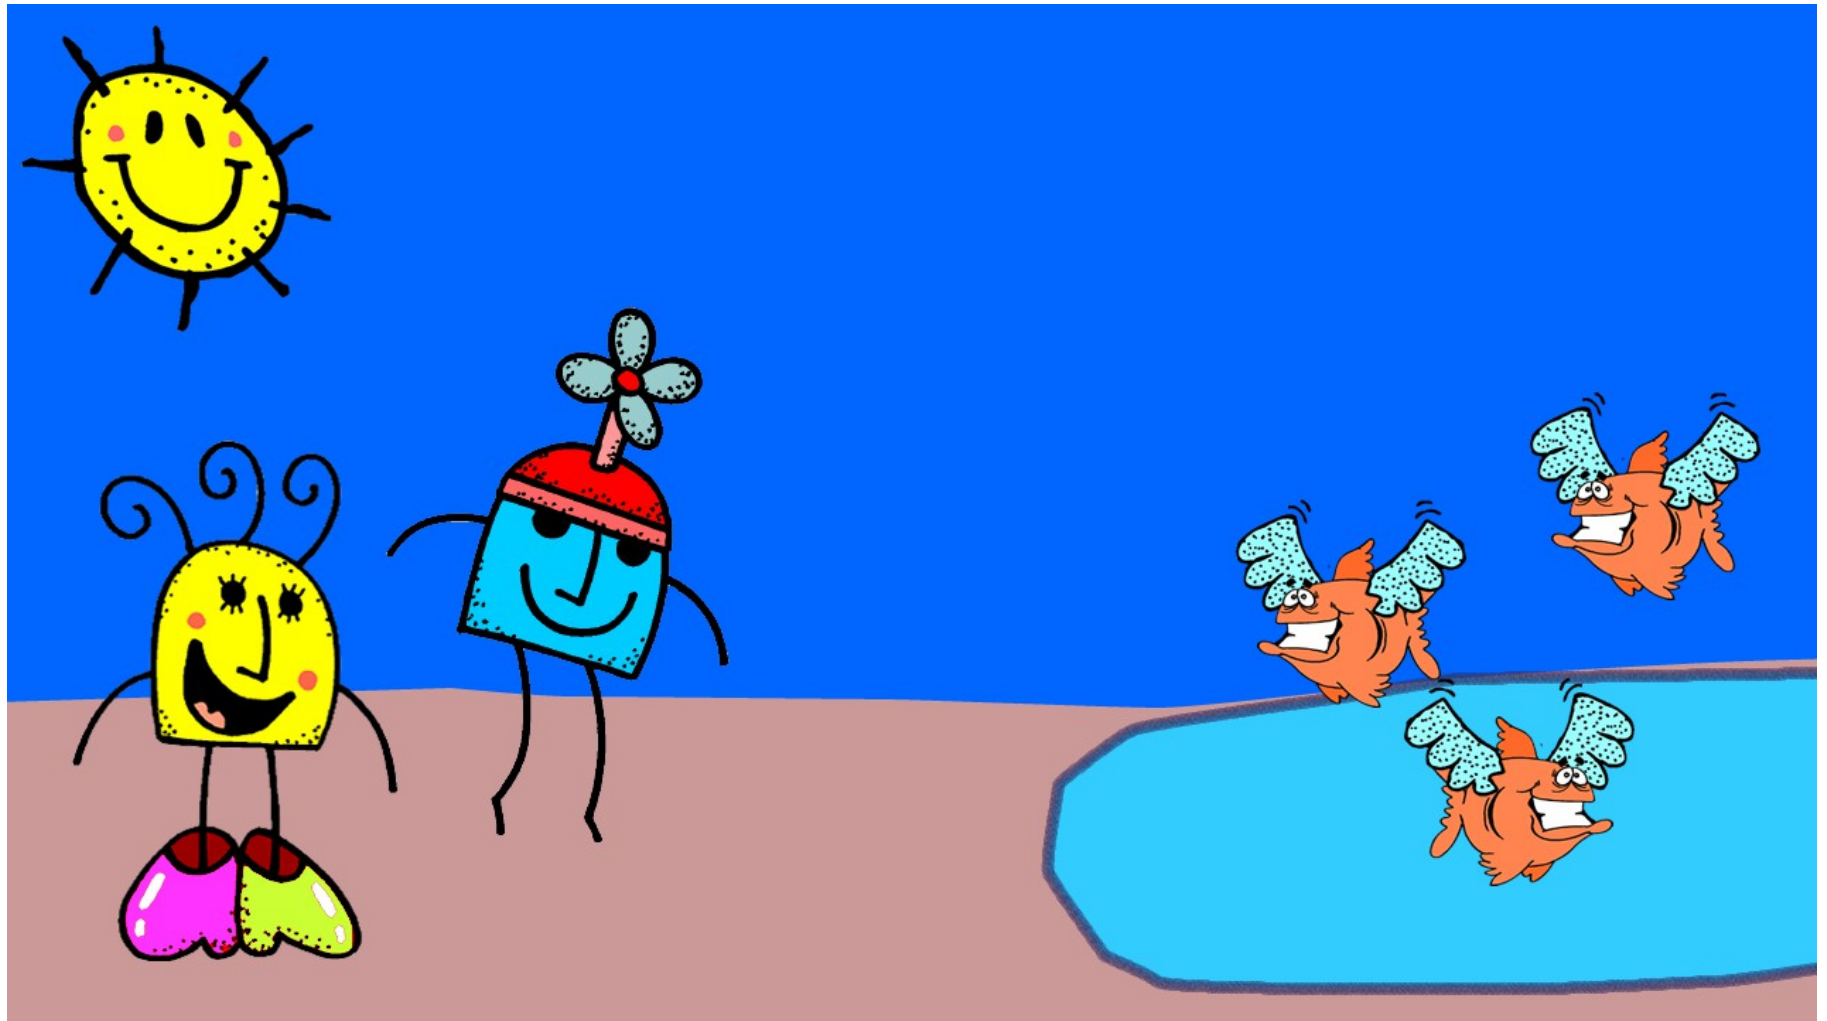

"That's a pet rabbit."

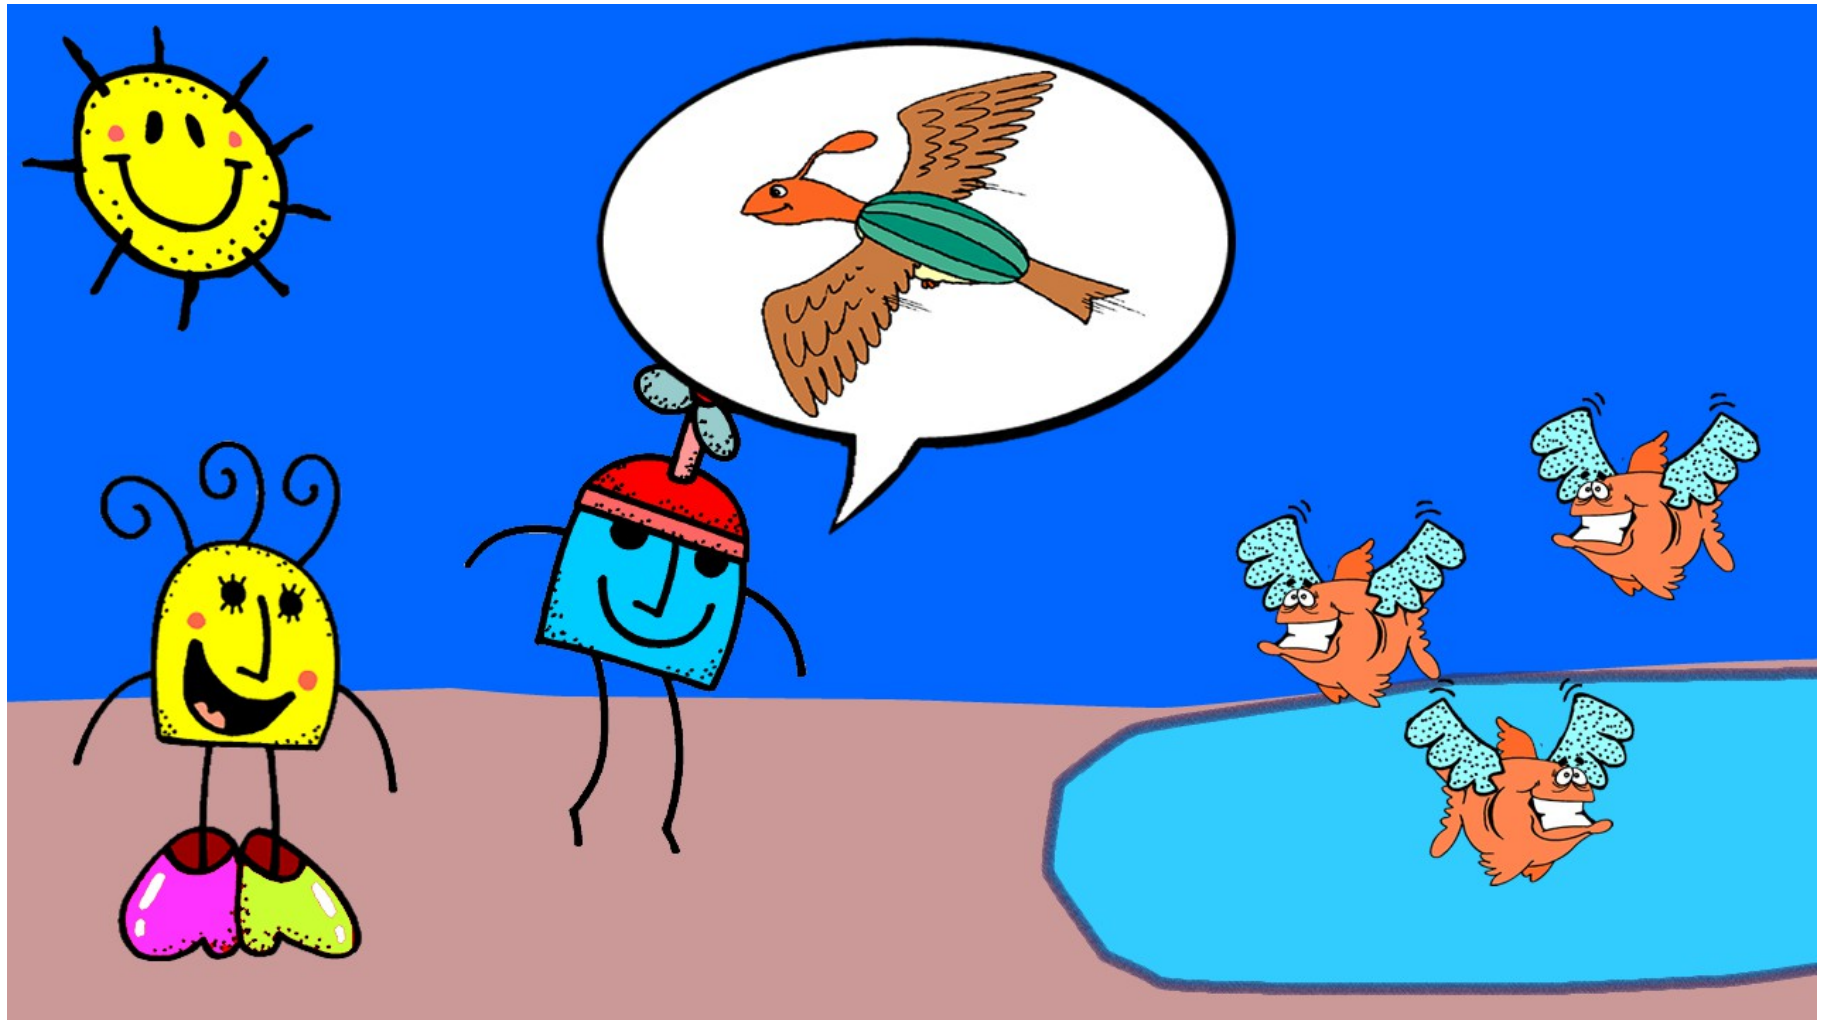

That's not a pet mouse or a pet rabbit. How silly!
What is it?

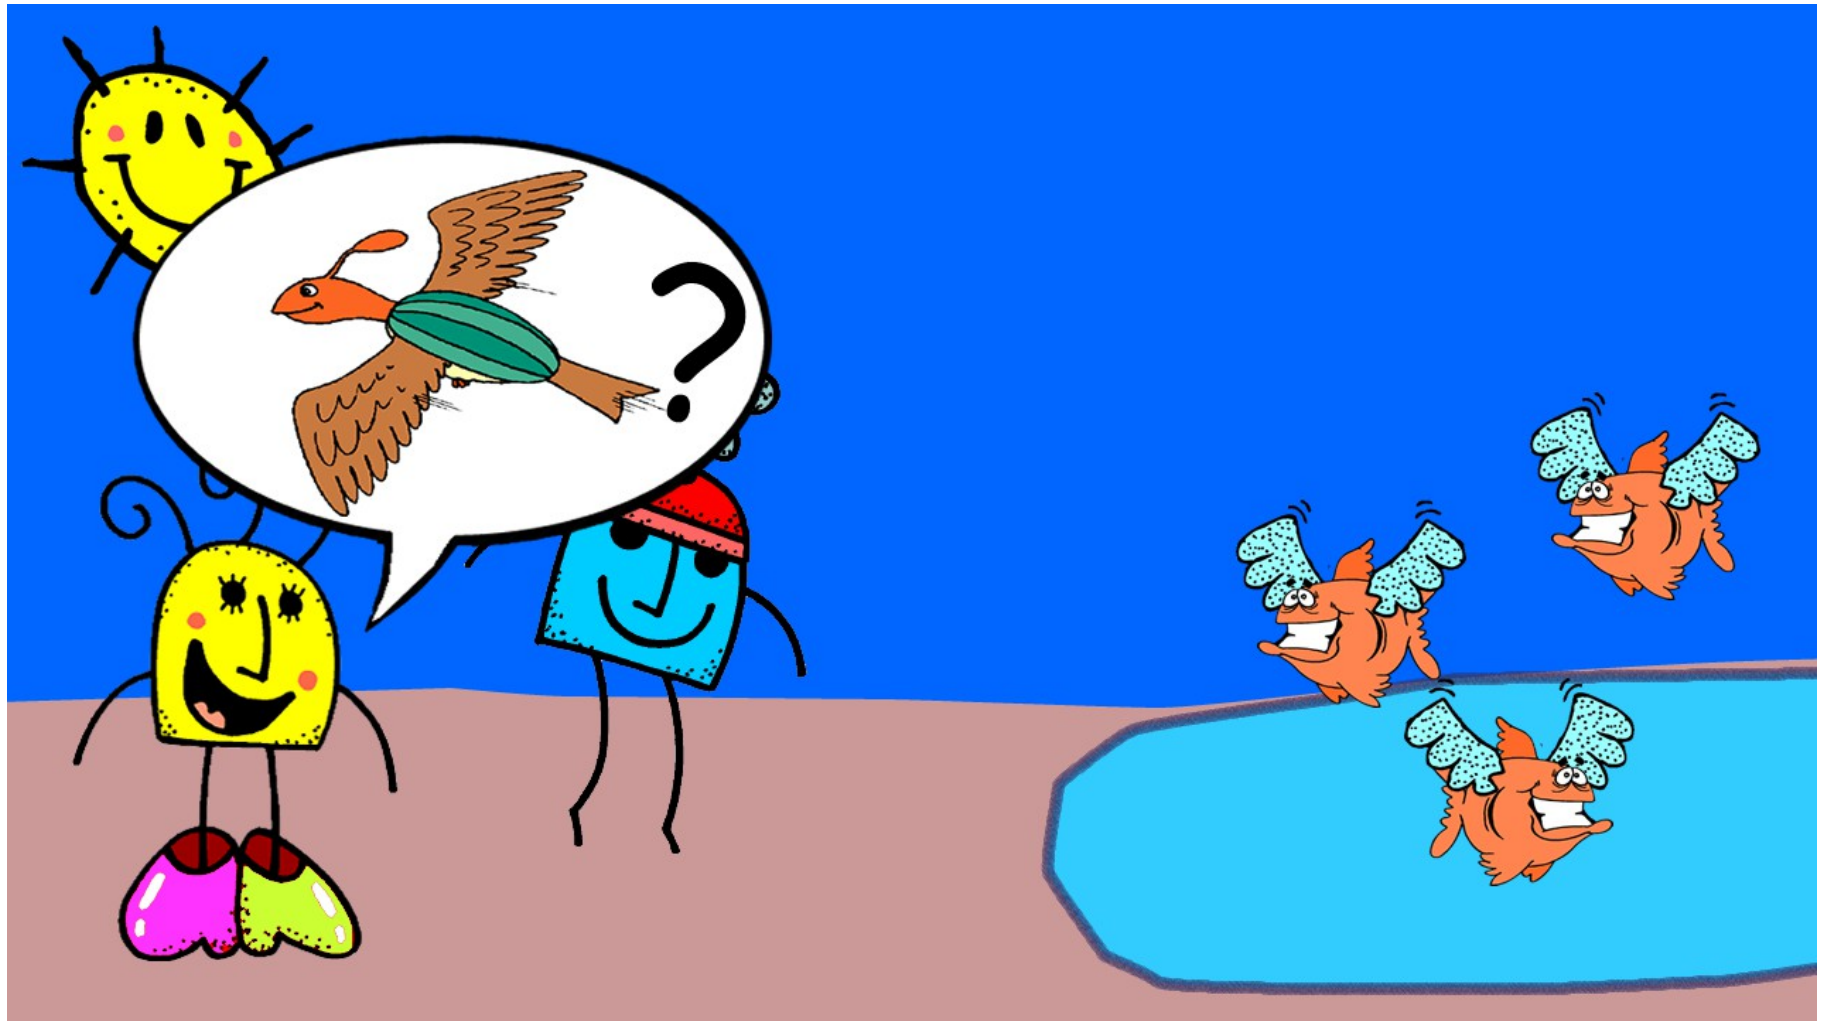

Yes! A pet skunk.

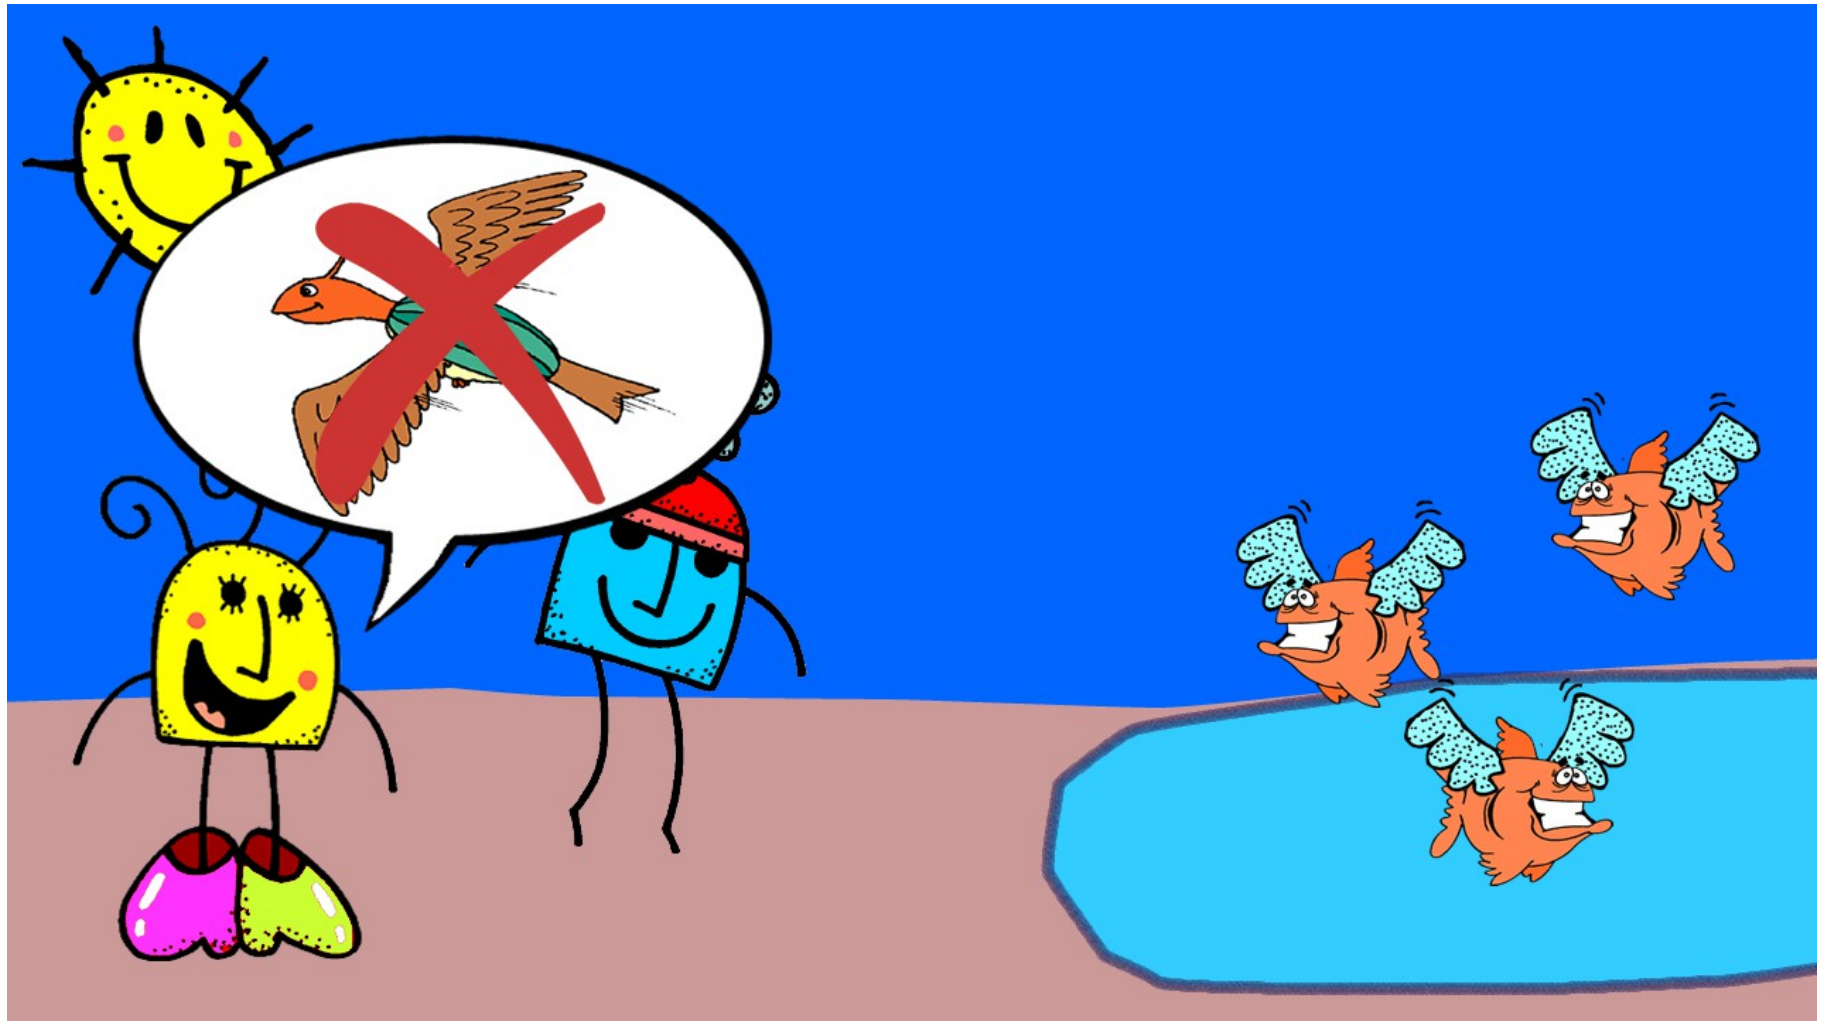

Over by the pond, the Sillys see flying fish.

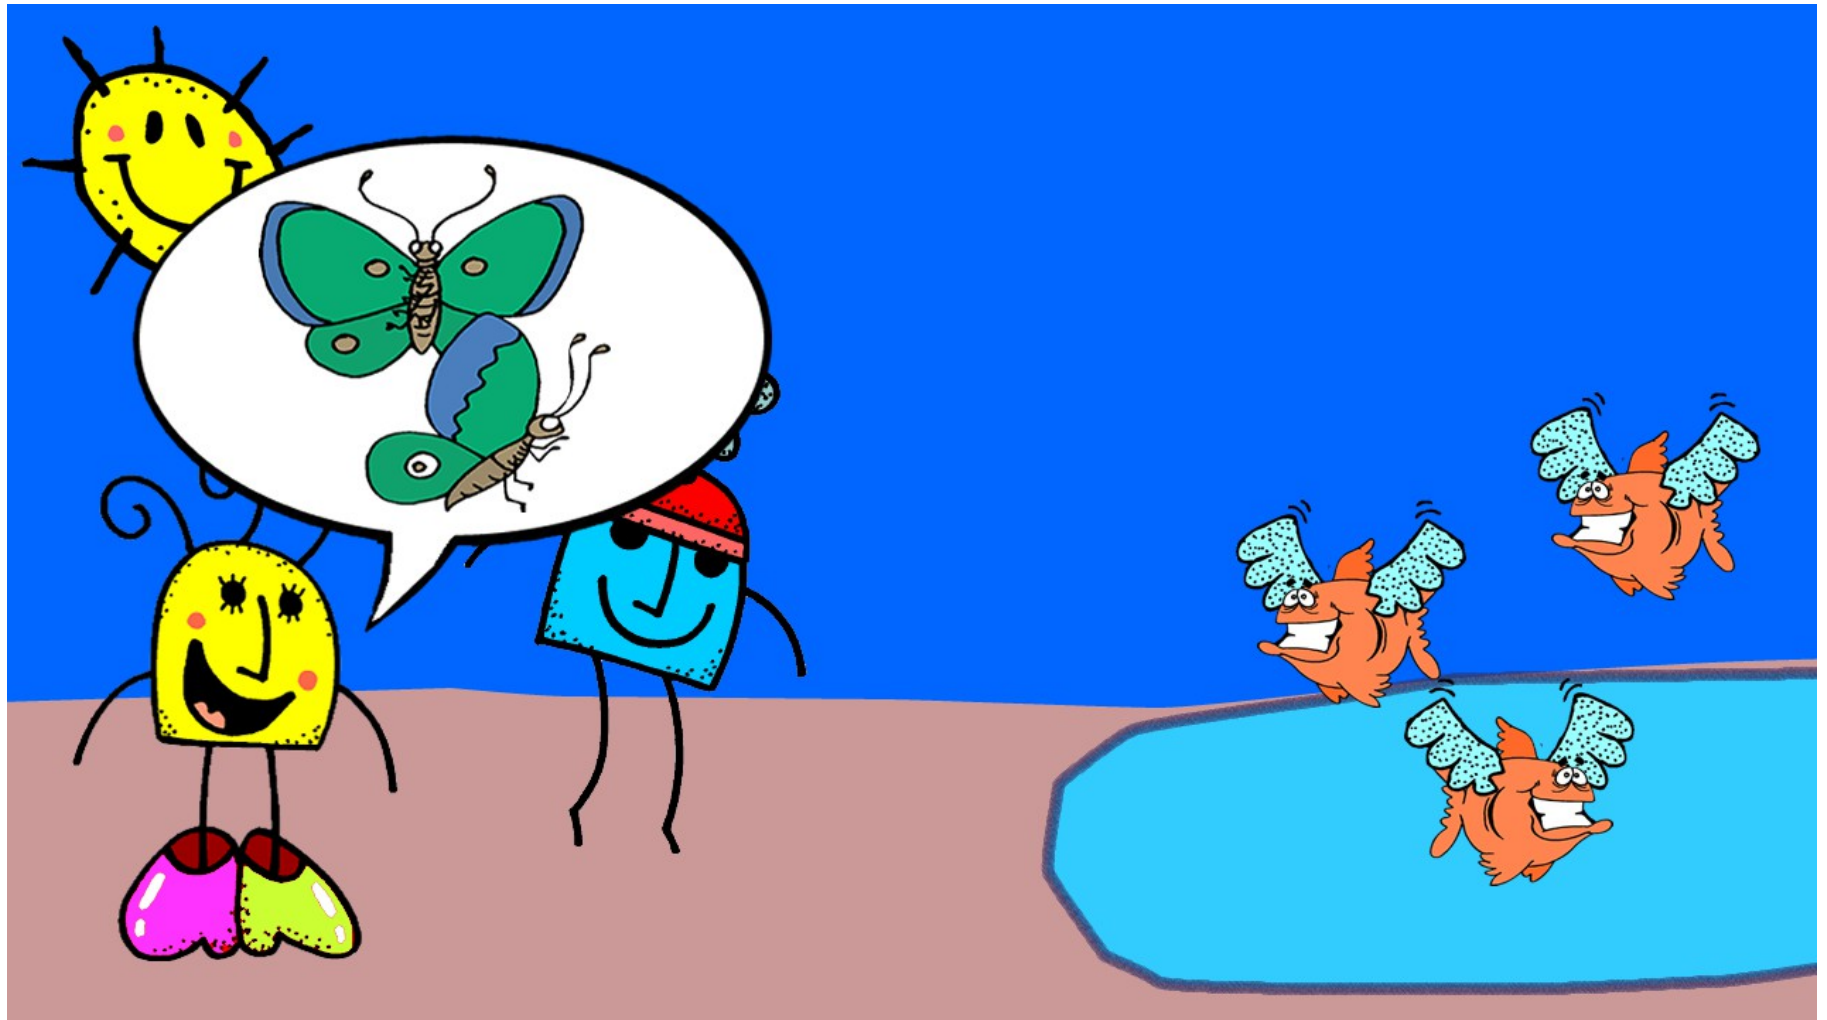

"Look," said SillyBilly. "What pretty birds!"

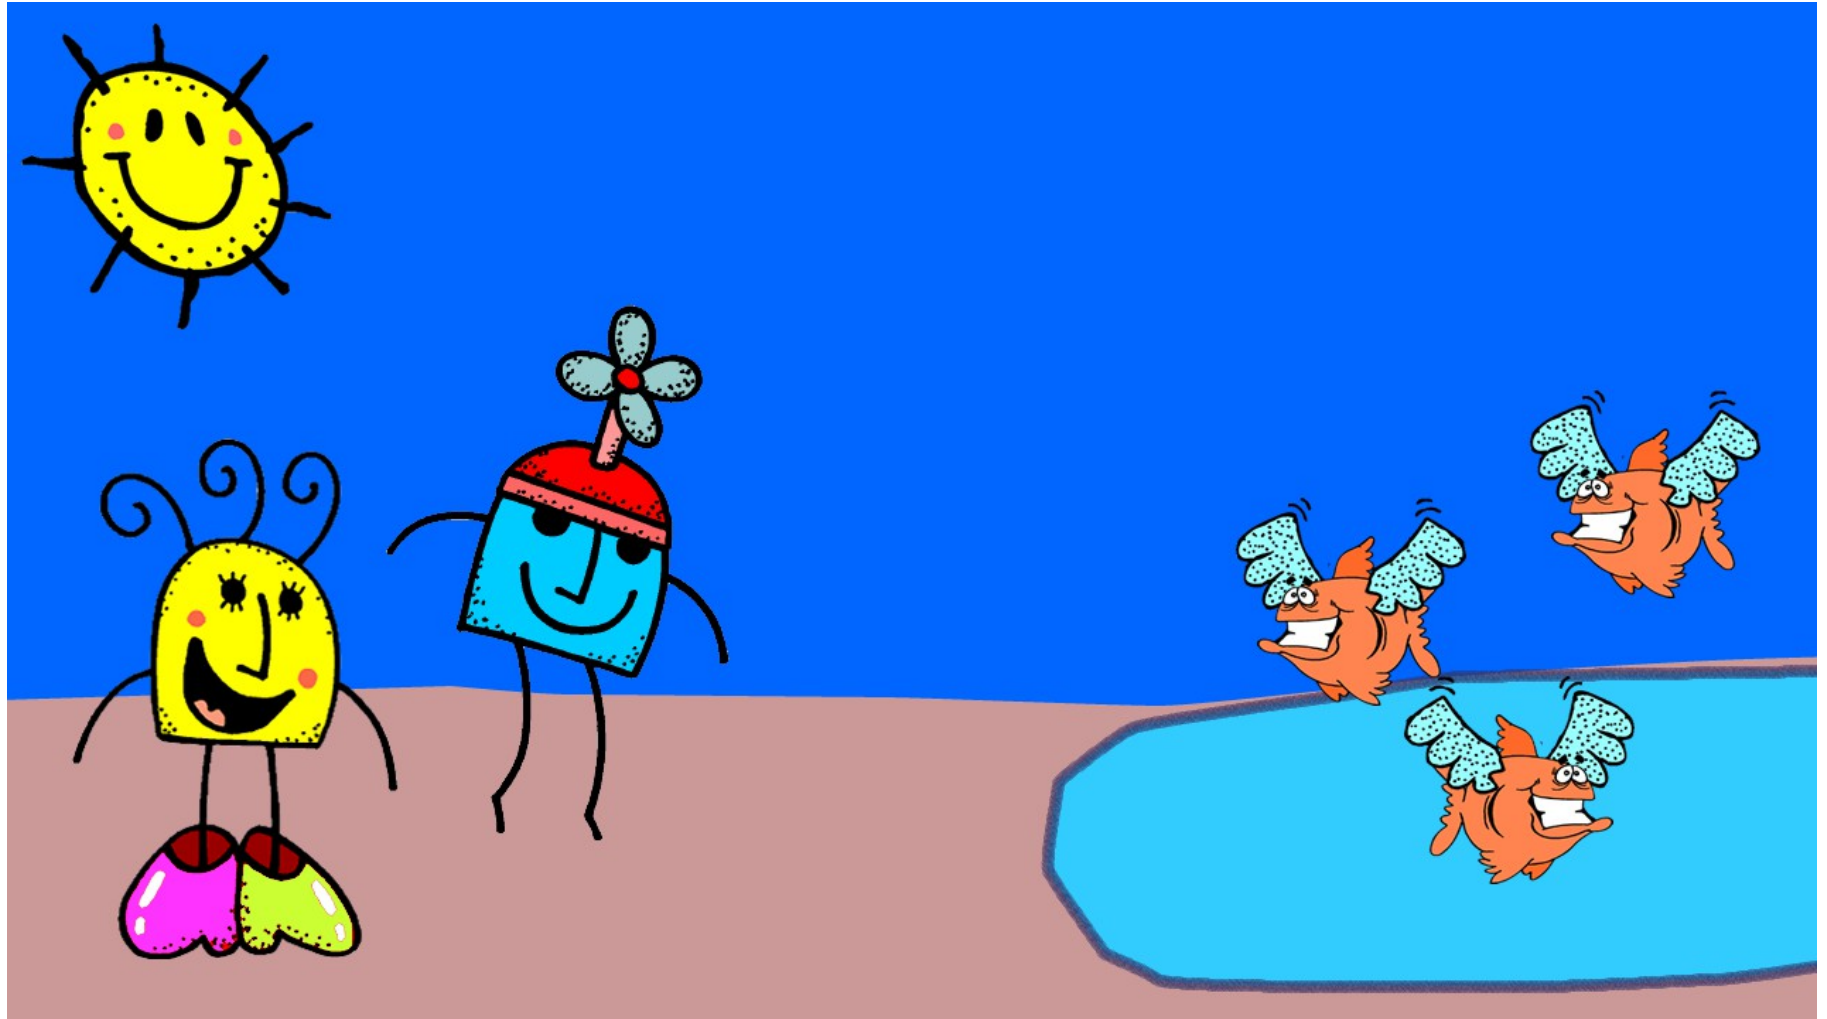

"Birds ?" said Silly Sally.

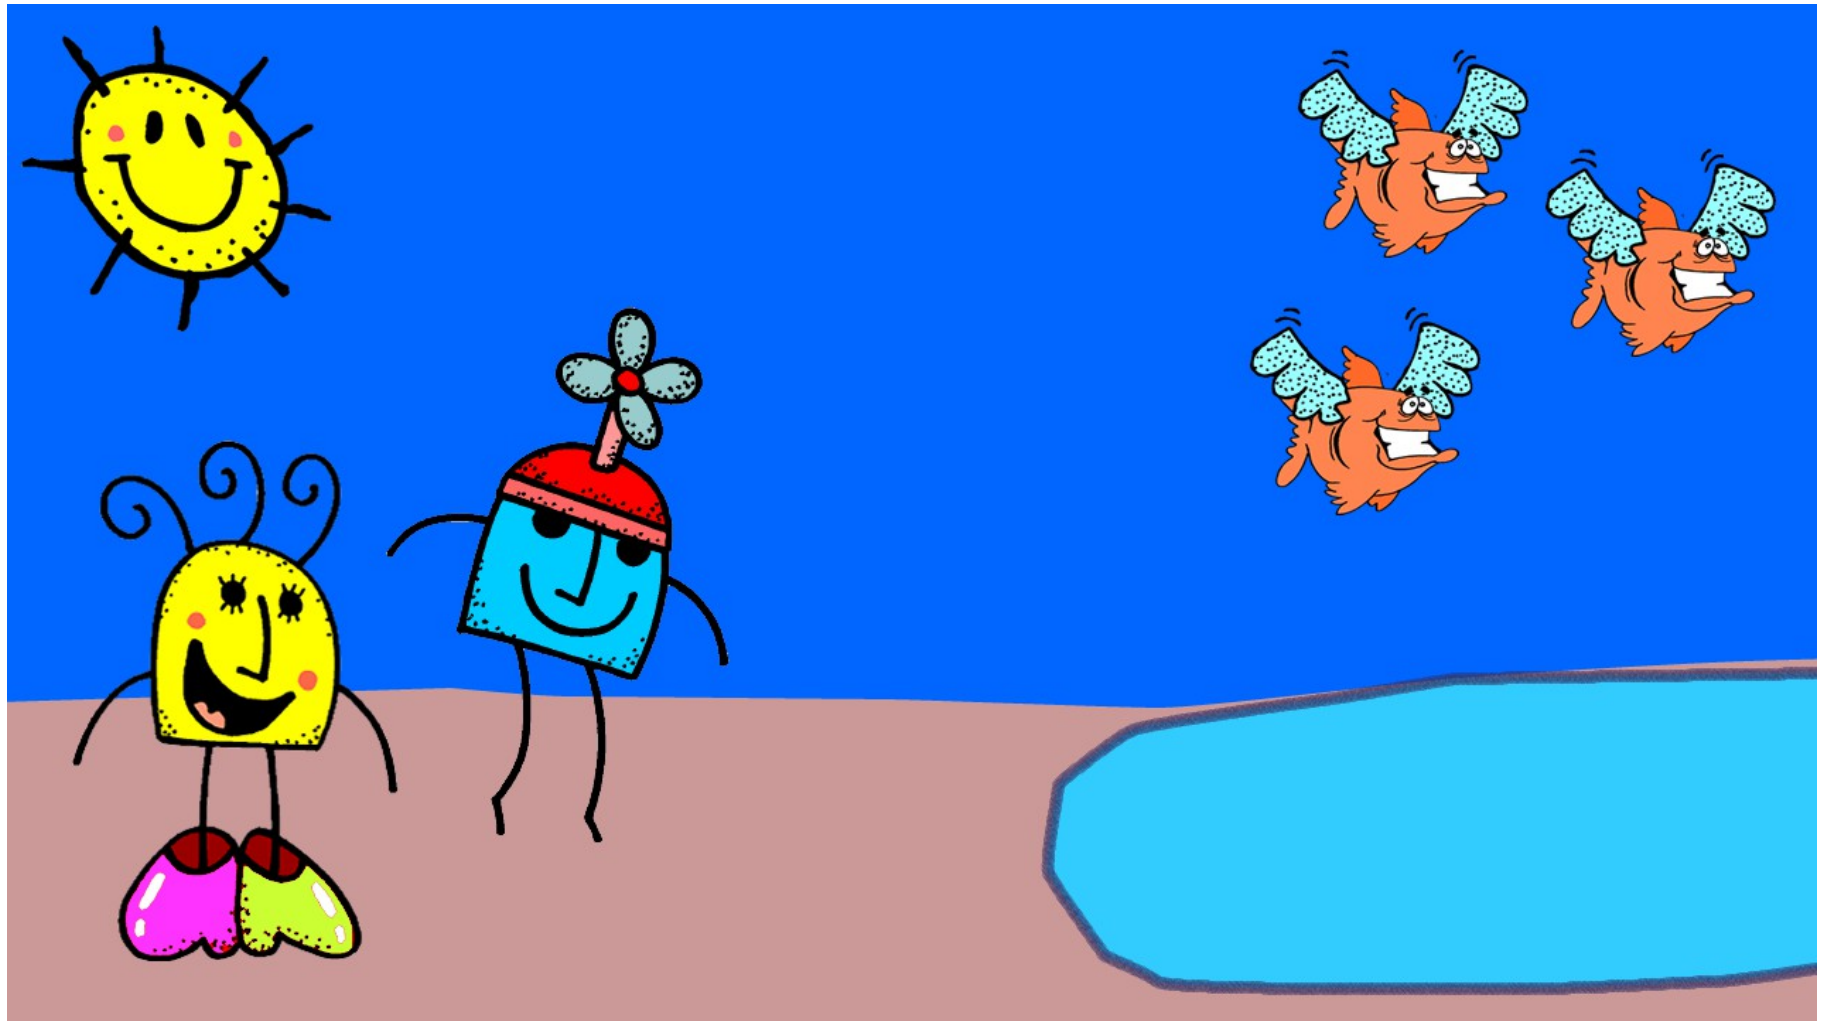

"Those are not birds."

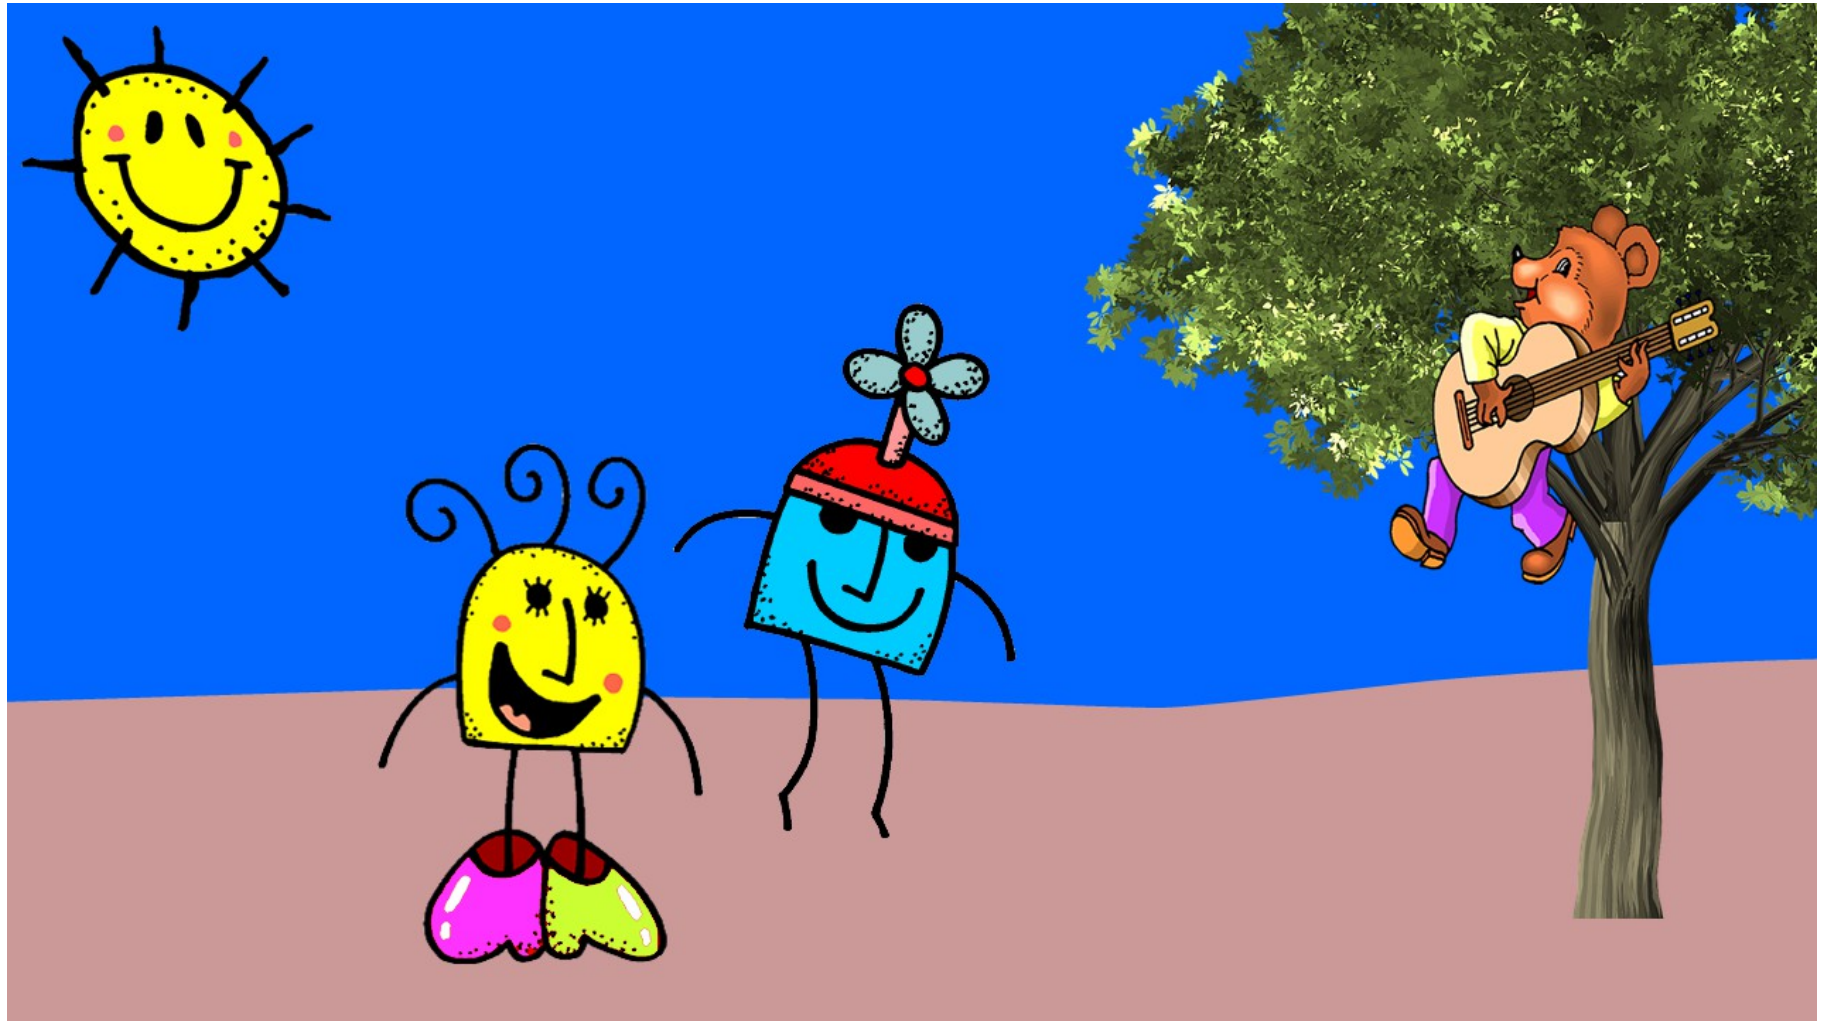

"They are butterflies!"

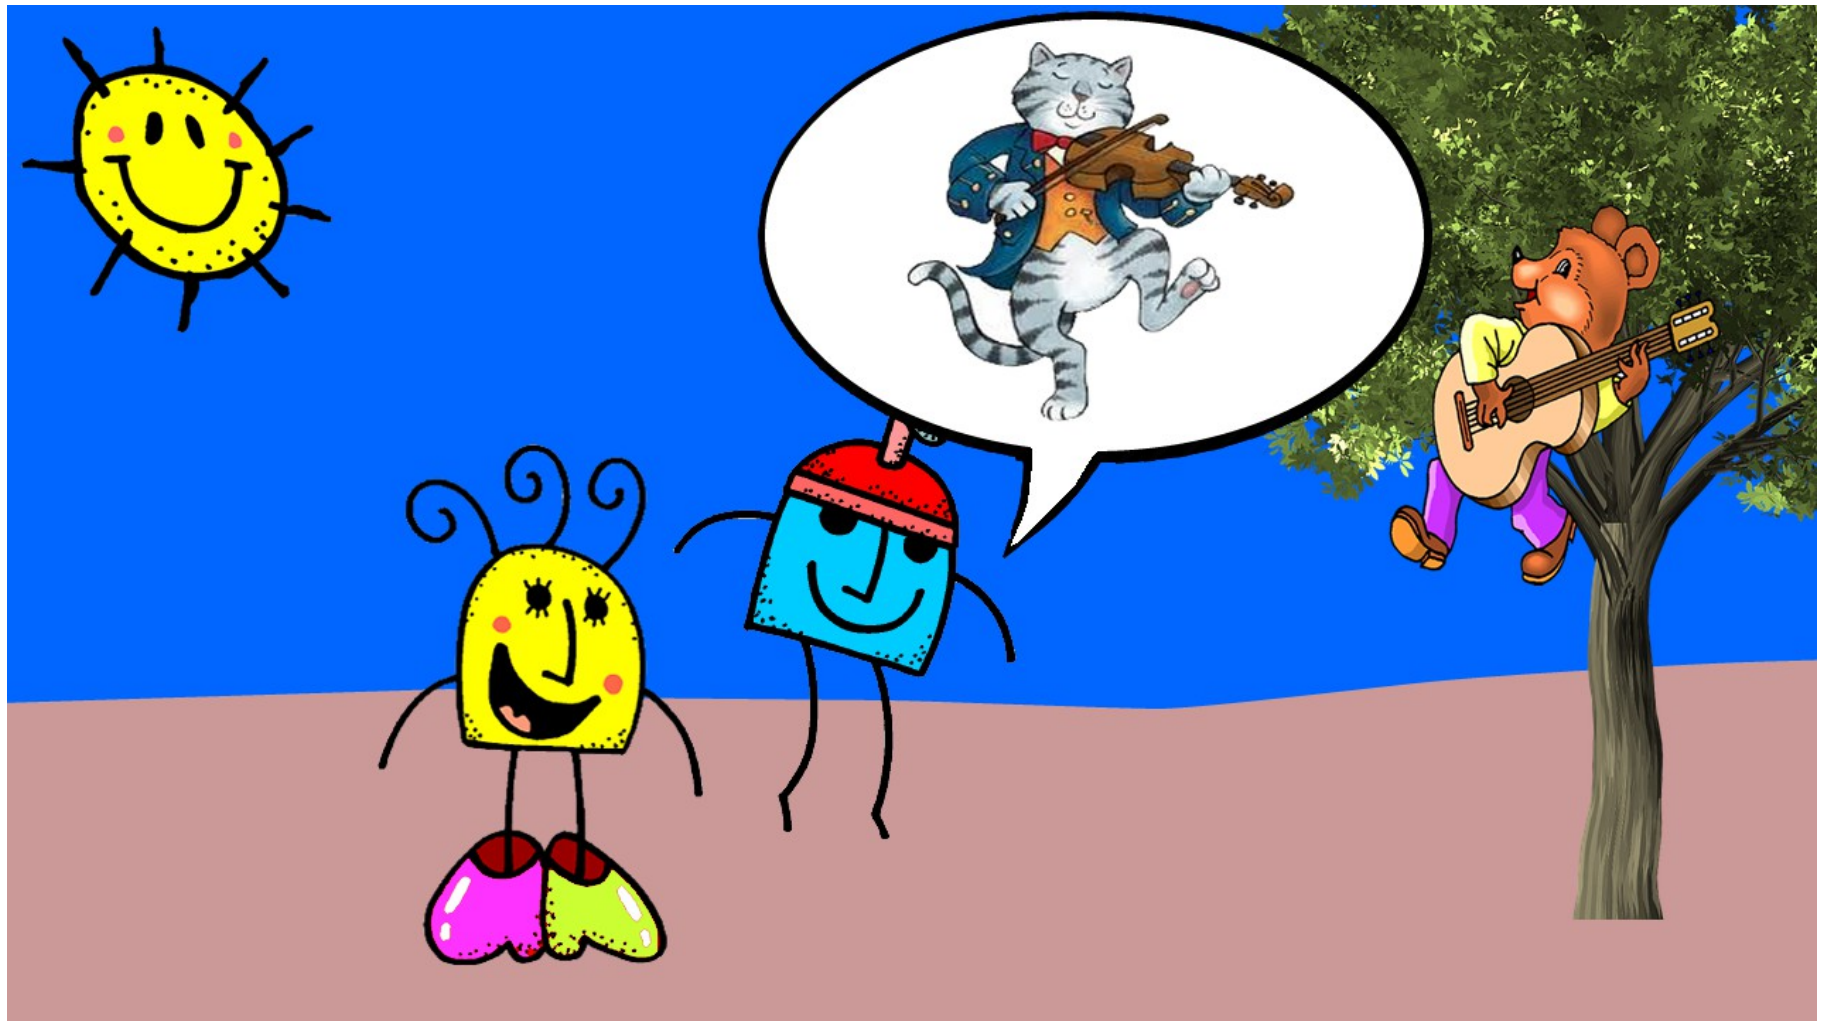

They are not birds or butterflies. How silly!
What are they?

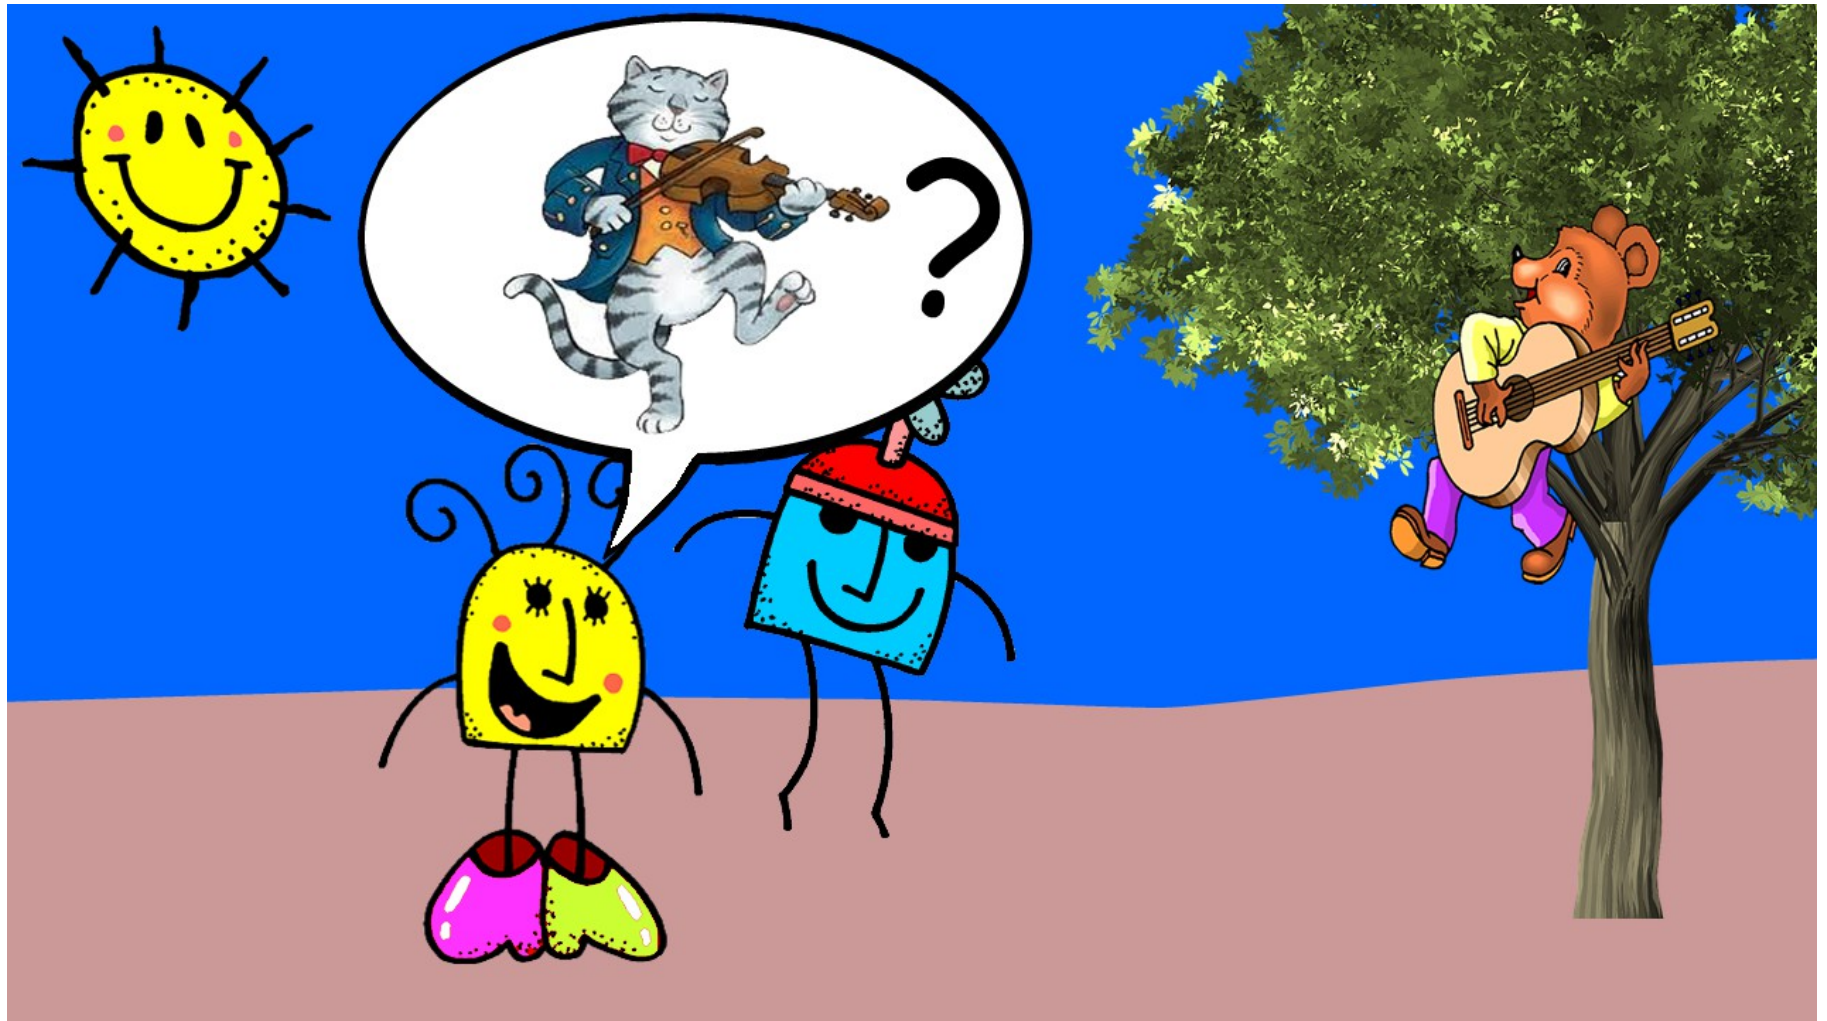

Yes ,flying fish.

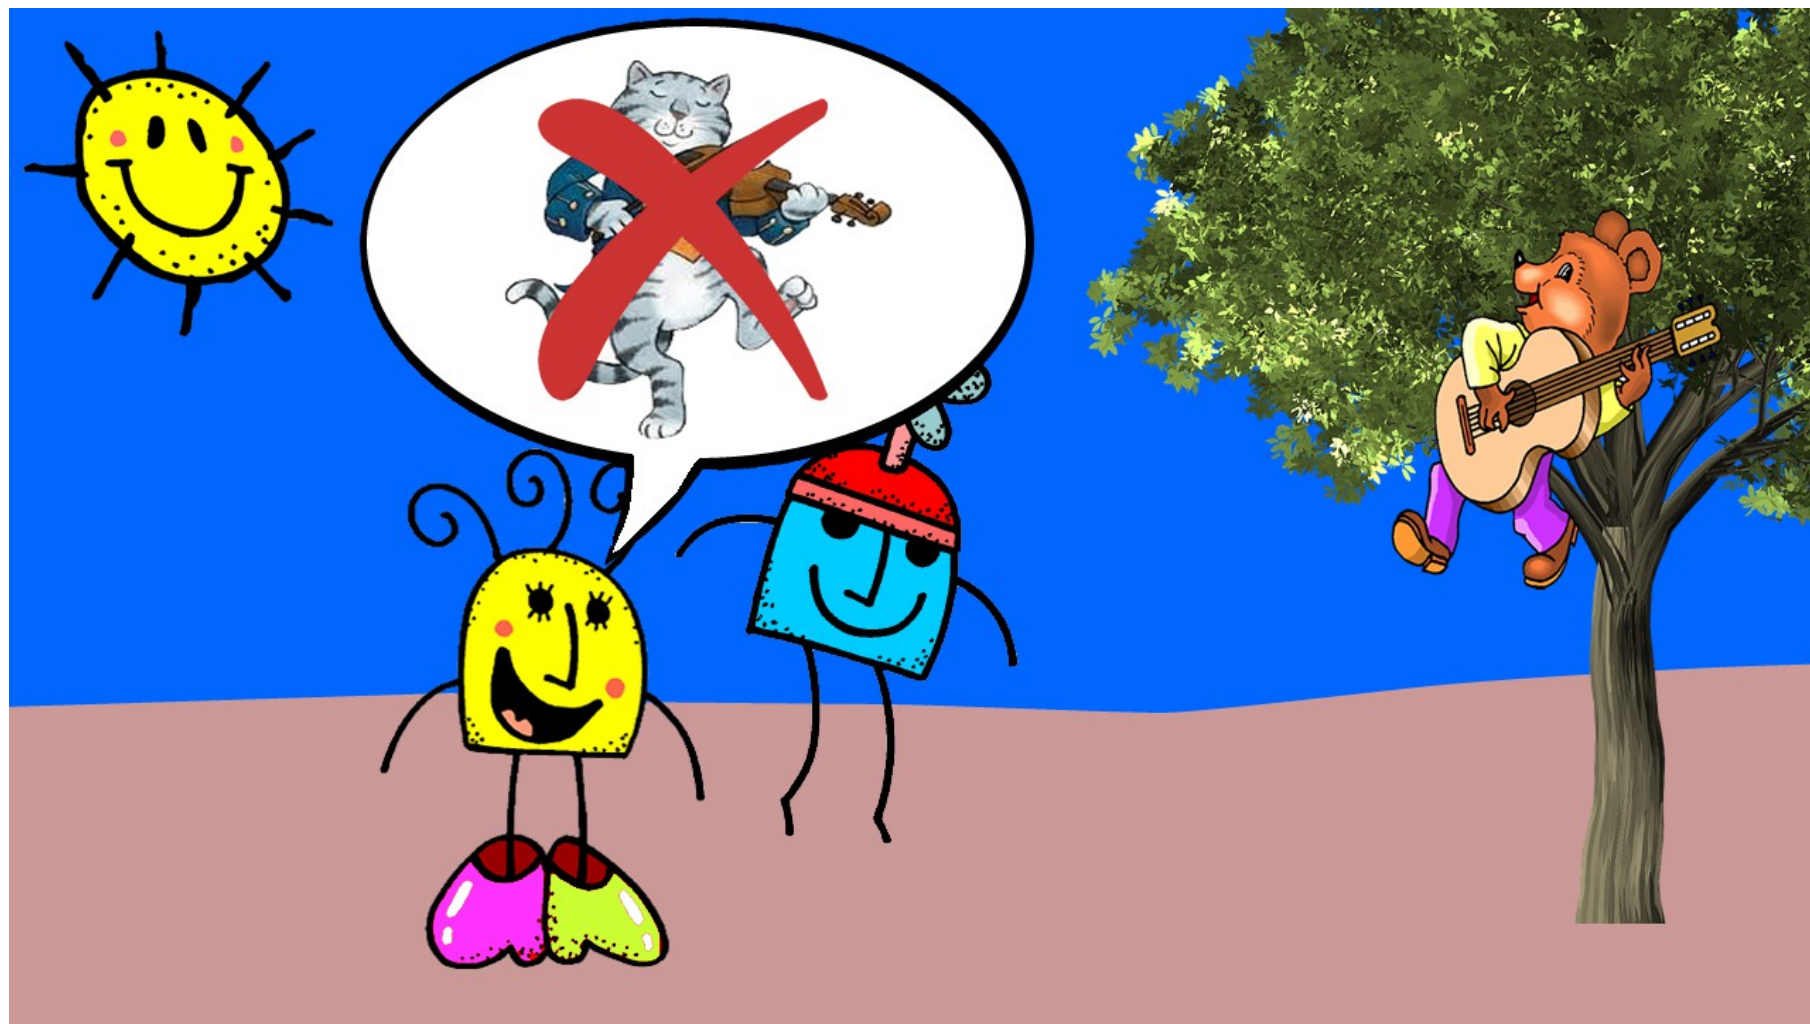

Up in a tree, they see a bear playing a guitar.

"Look," said SillyBilly. "A cat playing a fiddle."

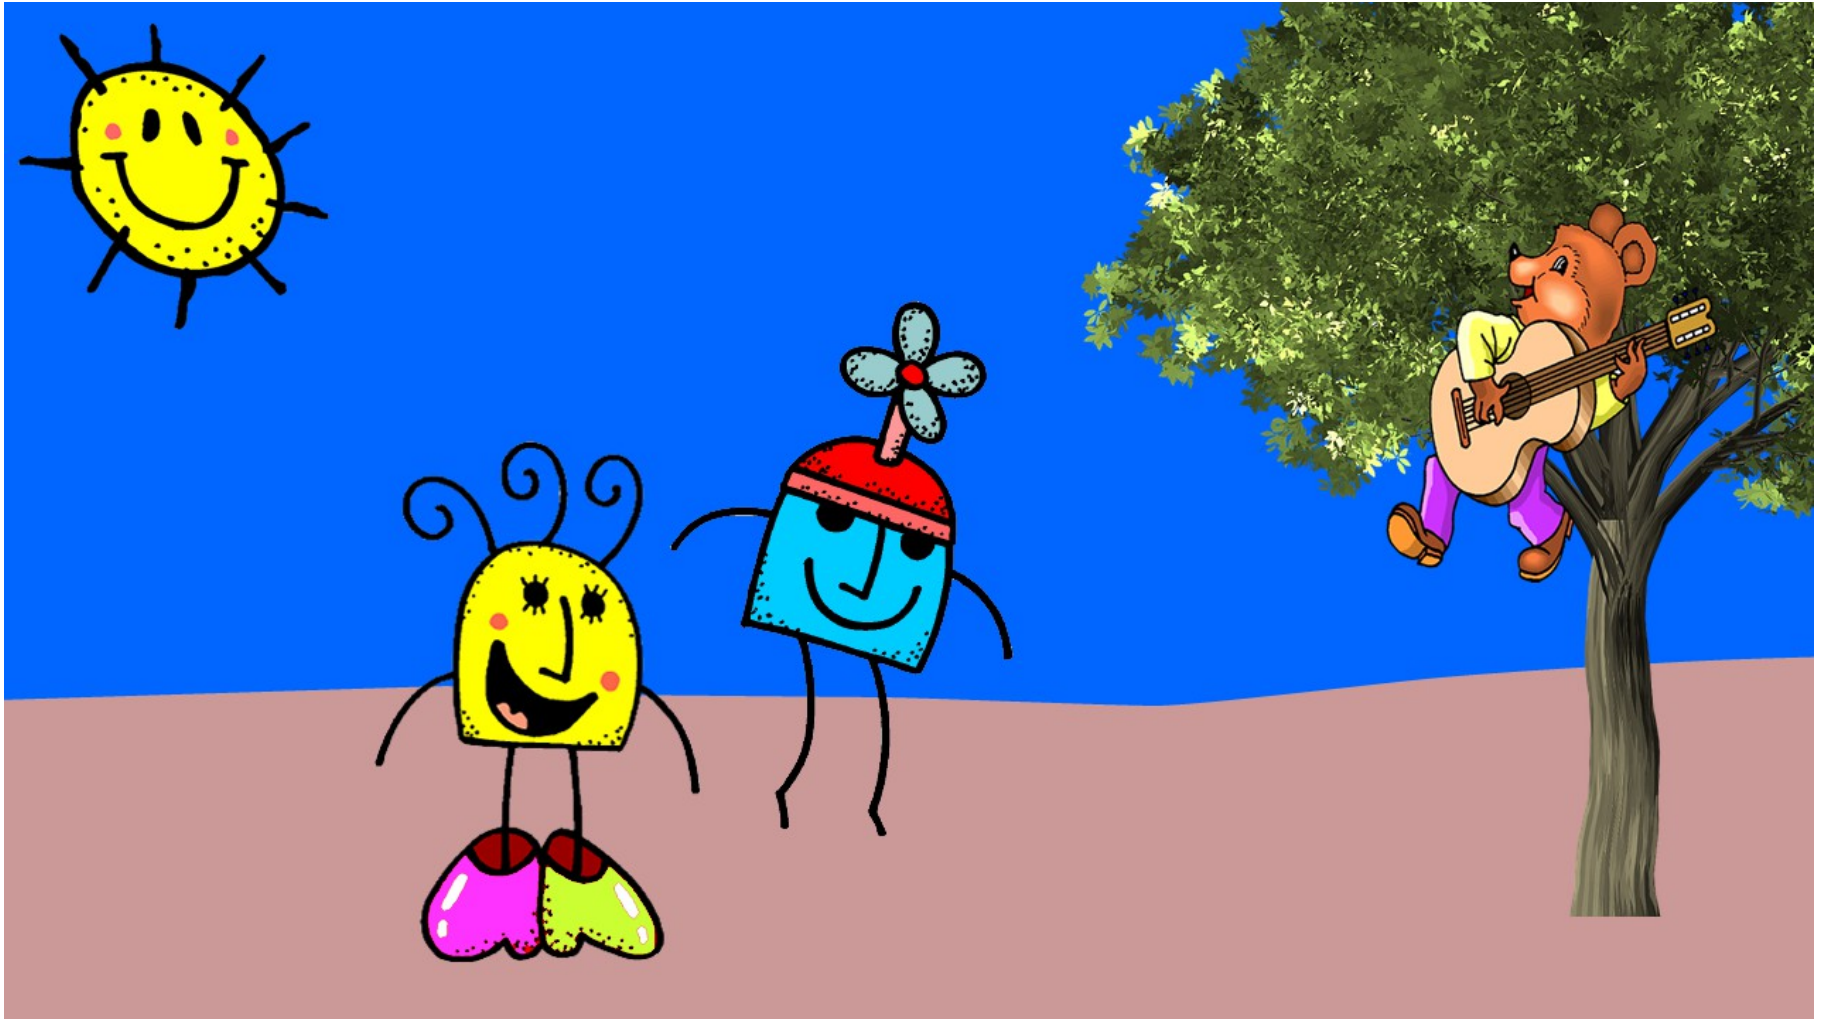

"A cat playing a fiddle?" said SillySally.

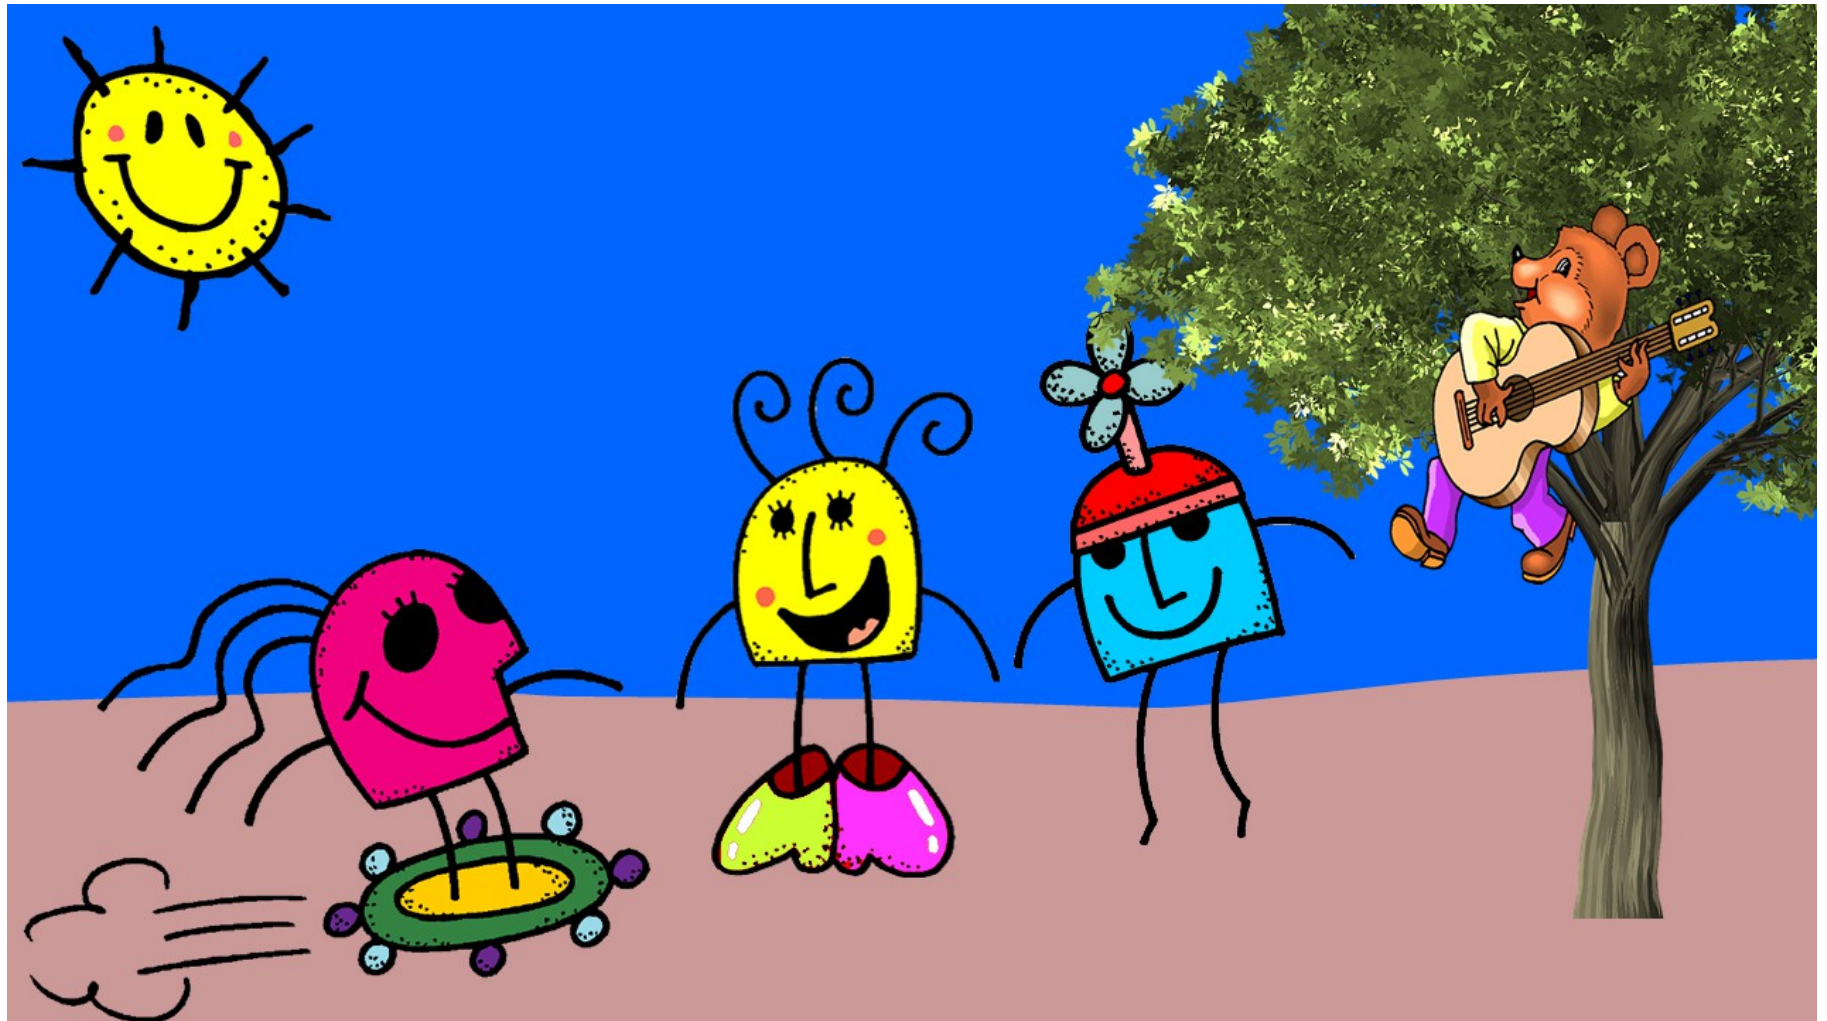

"That's not a cat playing a fiddle."

"That's a squirrel playing an accordion."

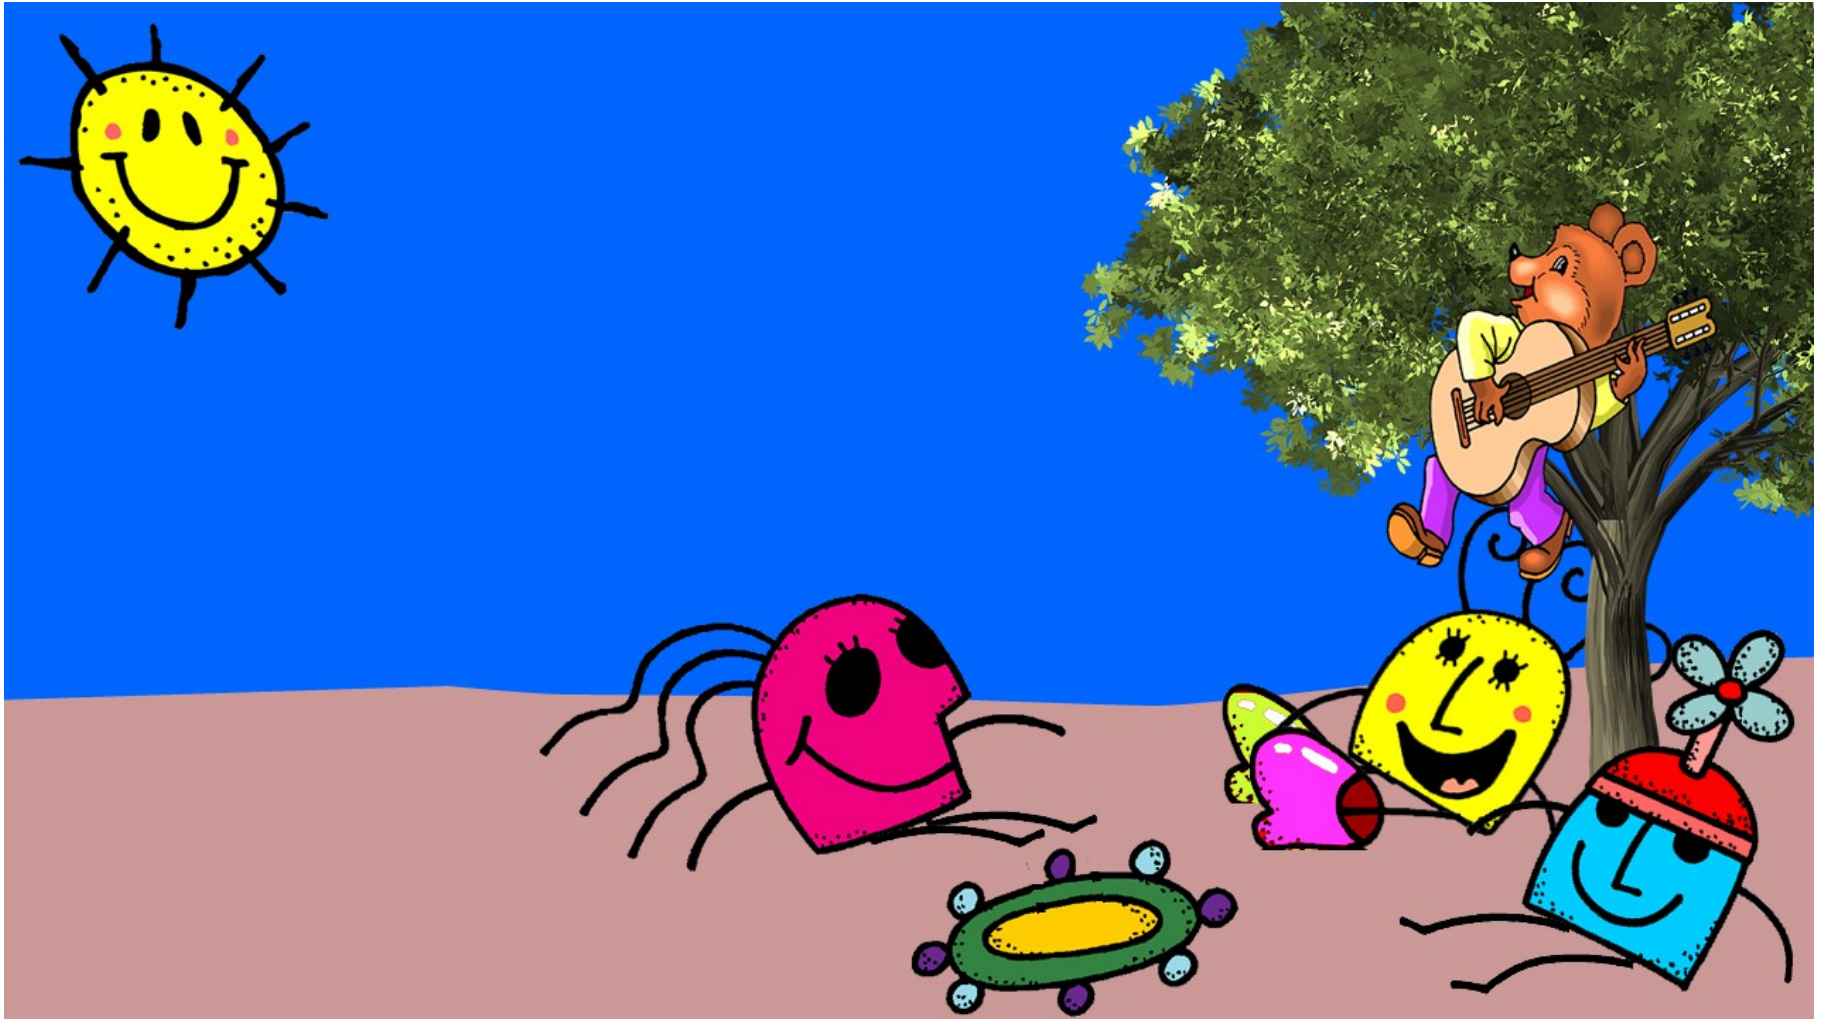

That is not a cat playing a fiddle or a squirrel playing an accordion. How silly! What is it?
Yes ,a bear playing a guitar.

Their cousin SillyNilly comes to the park.

"It's time to go home," said SillyNilly.

And all three Sillys sit under the tree and listen to the bear play his guitar. How silly!
